See below. Who do you think we would reach out to for a copy of the list? Maybe a redacted list, or just the names and locations of the facilities? Let me know if you need anything from me. Thanks.

Sara,

Do you have any thoughts on how to track this information down and get the list of sources mentioned below? It would be helpful to add these sources to our summary of "reclassification activities" that are occurring.

Thank you, Debra

Hi Debra and Grecia,

I was in a meeting with our enforcement folks, and learned that R5 sent an email (a few months ago, I think) to Patrick Traylor in OECA with a list of sources that were in enforcement negotiations and are now becoming minor HAP sources. You might want to track down a copy to supplement your search for information regarding sources using the OIAI rescission memo. Because the email includes enforcement confidential info and some CBI, I did not try to obtain a copy.

Regards,
Beth
